Sherman Alexie Liz Sonneborn, 2012-07-15 Sherman Alexie won the 2007 National Book Award for young people's literature with his acclaimed novel *The Absolutely True Diary of a Part-Time Indian*. The novel was inspired by the problems, struggles, and occasional triumphs he experienced as a teenager. Alexie had a long career before writing a YA novel. He has been a poet, a short story writer, a novelist, a screenwriter, a comedian, and a musician. No matter what medium he works in, Alexie attracts fans that love exploring the gorgeous, lonely, magical, and terrifying worlds he creates. This enthralling narrative gives teen readers an intimate portrait of Alexie, from his birth, when he was diagnosed with hydrocephalus, and youth on the Spokane Indian Reservation to his establishment as a rising star in American literature. Among his acclaimed books are *Lone Ranger and Tonto Fistfight in Heaven*, *Reservation Blues*, and *Indian Killer*, and his screenplay *Smoke Signals*. He also wrote and directed the film *The Business of Fancydancing*. He won the PEN/Faulkner Award for Fiction in 2010 with *War Dances*, a collection of short stories interspersed with poems. Also included are fact sheets on Alexie and his writing, critical reviews of his works, and a timeline.

Sherman Alexie is a Native American, which he prefers to call Indians, and grew up on the Spokane Reservation, which is also the setting in the novel. His novel partially tells his own story

which means it is semi-autobiographical. One of the main topics of his novels, and also very present in this novel, is alcoholism, probably because his father had an alcohol problem as well. It is important to mention that Alexie's novel is not a comic in the first place, because it mainly shows single illustrations which contribute to the text's meaning. It is therefore a graphic novel meaning that it is a narrative with occasional pictures with a dominance of verbal elements. However, there are still five actual comics in the book. Not only writing novels but also poems and short stories his novels present the nobly suffering Indian (Campbell) but also the hard reality of urban life (Campbell) by also telling the hard naked truth about being Indian. Comics have been out there for several decades, but they have not always enjoyed a broad audience. The genre of comics is often readily dismissed as being for children, young male adolescents and even for sub-literates. This marginalized genre is more than that; it offers topics and themes for everyone, varying from fiction to politics, fantasy, erotica, essays, autobiography and many more. As Douglas Wolk puts it: comics have grown up. As comics went through a long development of experiencing setbacks and success at the same time, today we have shops exclusively for cartoons, comics or illustrations. As Douglas Wolk puts it: "comics have grown up". As comics went through a long development of experiencing setbacks and success at the same time, today we have shops exclusively for cartoons, comics or illustrations. As modern literature and culture changed into being more visual and less written the genre of comics

and illustrations has become more attractive and popular. Moreover since the Marvel and DC comics and especially their remakes as movies such as Spiderman, Thor, Ironman, Captain America, Avengers, Watchmen, Sin City and many more the genre became more accessible for people who have not had a huge interest in comics beforehand. Although comics are drawn and represent a picture “we read comics. [...] holding them in our hands, turning their pages” (Wolk). When in the 1970s the main topics were “simplistic superhero fantasies or violence” (Bongco) the genre today is also dealing with serious topics.

You Don't Have to Say You Love Me Sherman Alexie, 2017-06-13 A searing, deeply moving memoir about family, love, loss, and forgiveness from the critically acclaimed, bestselling National Book Award-winning author of *The Absolutely True Diary of a Part-Time Indian*. Family relationships are never simple. But Sherman Alexie's bond with his mother Lillian was more complex than most. She plunged her family into chaos with a drinking habit, but shed her addiction when it was on the brink of costing her everything. She survived a violent past, but created an elaborate facade to hide the truth. She selflessly cared for strangers, but was often incapable of showering her children with the affection that they so desperately craved. She wanted a better life for her son, but it was only by leaving her behind that he could hope to achieve it. It's these contradictions that made Lillian Alexie a beautiful, mercurial, abusive, intelligent, complicated, and very human woman. When she passed away, the incongruities that defined his mother shook Sherman and his remembrance of her. Grappling with the haunting ghosts of the past in the wake of loss, he responded the only way he knew how: he wrote. The result is a stunning memoir filled with raw, angry, funny, profane, tender memories of a childhood few can imagine, much less survive. An unflinching and unforgettable remembrance, *You Don't Have to Say You Love Me* is a powerful, deeply felt account of a complicated relationship.

Key Aspects in Sherman Alexie's Works with Special Reference to his Life Melissa Naase, 2012-12-11 Seminar paper from the year 2012 in the subject Didactics for the subject English - Literature, Works, grade: 1,7, University of Paderborn (Anglistik und Amerikanistik), course: Native American Literature, language: English, abstract: American Indian literature grew out of an oral tradition passed on from one generation to the next. By the late eighteenth century these oral accounts of Indians' stories were being recorded or translated by interested white people. At this time Indians were also beginning to write down their own stories in the English language. By the twentieth century creativity in the English language became a well-established form of their literary communication. During the same time the works of American Indian authors got a more individualistic tone. One of those individualist is the Native American Sherman Alexie. Sherman Alexie was born on

October 7, 1966. Alexie grew up in the Spokane Indian Reservation in Washington. (...) Nowadays Alexie lives in Seattle, Washington together with his Native American wife and his two sons. He is a famous Native American poet, author, screenwriter and filmmaker. He sold millions of copies of his books and won several awards for his novels like the “Boston-Globe-Horn Book Award” for the best fiction novel of 2008 in young adult literature or the “National Book Award for Young Peoples’ Literature” in 2007 both for his novel “The Absolutely True Diary of a Part-Time Indian”. His literature is very important for Native American literature courses in the United States and in the world. Alexie is also read in colleges and universities all across the USA. (...) As a Native American himself, his novels, films, and collections of short stories deal with a variety of topics he experienced in the reservation like alcoholism, poverty, stereotypes, friends, death or family problems. Having grown up in the 60’s and 70’s in the reservation Alexie has made lots of experiences on many, if not all topics he writes about. For this paper I mainly had a look at three of Alexie’s works, namely the novels “Reservation Blues” and “The Absolutely True Diary of a Part-Time Indian” as well as his collection of short stories “The Lone Ranger and Tonto Fistfight in Heaven”. Reading these novels and stories I realized that they have much in common. In all those works the same problems can be found as well as the characters reappear. (...)
