

The International Jew Ford

Henry Ford, Sr.

The International Jew: The World's Foremost Problem (Complete Four Volumes) Henry Ford, 195? Why discuss the Jewish Question? Because it is here, and because its emergence into American thought should contribute to its solution, and not to a continuance of those bad conditions which surround the Question in other countries. The Jewish Question has existed in the United States for a long time. Jews themselves have known this, even if Gentiles have not. There have been periods in our own country when it has broken forth with a sullen sort of strength which presaged darker things to come. Many signs portend that it is approaching an acute stage. Not only does the Jewish Question touch those matters that are of common knowledge, such as financial and commercial control, usurpation of political power, monopoly of necessities, and autocratic direction of the very news that the American people read; but it reaches into cultural regions and so touches the very heart of American life. This question reaches down into South America and threatens to become an important factor in Pan-American relations. It is interwoven with much of the menace of organized and calculated disorder which troubles the nations today. It is not of recent growth, but its roots go deep, and the long Past of this Problem is counterbalanced by prophetic hopes and programs which involve a very deliberate and creative view of the Future. This little book is the partial record of an investigation of the Jewish Question. It is printed to enable interested readers to inform themselves on the data published in The Dearborn Independent prior to Oct. 1, 1920. The demand for back copies of the paper was so great that the supply was exhausted early, as was also a large edition of a booklet containing the first nine articles of the series. The investigation still proceeds, and the articles will continue to appear as heretofore until the work is done. The motive of this work is simply a desire to make facts known to the people. Other motives have, of course, been ascribed to it. But the motive of prejudice or any form of antagonism is hardly strong enough to support such an investigation as this. Moreover, had an unworthy motive existed, some sign of it would inevitably appear in the work itself. We confidently call the reader to witness that the tone of these articles is all that it should be. The International Jew and his satellites, as the conscious enemies of all that Anglo-Saxons mean by civilization, are not spared, nor is that unthinking mass which defends anything that a Jew does, simply because it has been taught to believe that what Jewish leaders do is Jewish. Neither do these articles proceed upon a false emotion of brotherhood and apology, as if this stream of doubtful tendency in the world were only accidentally Jewish. We give the facts as we find them; that of itself is sufficient protection against prejudice or passion.

The International Jew Henry Ford,2017-10-05 The International Jew is a four volume set of booklets or pamphlets published and distributed in the early 1920s by Henry Ford, an American industrialist and automobile manufacturer. In Spring 1920, Ford made his personal newspaper, The Dearborn Independent, chronicle what he considered the Jewish menace. Every week for 91 issues, the paper exposed some sort of Jewish-inspired evil major story in a headline. The most popular and aggressive stories were then chosen to be reprinted into four volumes called The International Jew.

The International Jew Volumes I and II Henry Ford,2014-07-11 FULL UNEXPURGATED VERSION. The famous American industrialist and automobile manufacturer Henry Ford purchased The Dearborn Independent, an independent journal, in 1918. Ford then used this newspaper to publish a series of 80 articles between 1920 and 1922 on what he identified as the Jewish Question in America. The Dearborn Independent was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. At its peak, circulation reached 700,000 readers. The work's reach was worldwide and was quoted in Adolf Hitler's Mein Kampf. Henry Ford's picture hung in Hitler's office, and in July 1938, the German consul at Cleveland gave Ford, on his 75th birthday, the award of the Grand Cross of the German Eagle, the highest medal Nazi Germany could bestow on a foreigner. The 80 articles were later republished in book form but were severely redacted and edited, with an abridged version becoming the most widely circulated copy. This version is the full unexpurgated original of Ford's groundbreaking study of the Jewish Question, and contains all the content, prefaces included, of the books first published by The Dearborn Independent as Volume 1: The International Jew: The World's Foremost Problem (1920); and Volume 2: Jewish Activities in the United States (1921). The accompanying Volume III and IV in this new series contains Ford's other two original volumes: Volume 3: Jewish Influence in American Life (1921); and Volume 4: Aspects of Jewish Power in the United States (1922). Completely reset and hand-edited. Cover image: A poster from the Nazi film The Eternal Jew(1940) which used material from Ford's books.

The International Jew Henry Ford,2003-07-01 In 1920 Henry Ford bought The Dearborn Independent, a virile and very independent journal published in his home town. He used it to publish his series of 81 articles (between 1920 and 1922) on the Jewish Question in America, which he called the world's foremost problem. The Dearborn Independent was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. At its peak, circulation reached 700,000 readers. He later published the articles as a four-volume set of books. At the Nuremberg Tribunal, Baldur Von

Shirach, Hitler Youth Leader, said he had been influenced through reading these books. The work was also quoted in Mein Kampf by Adolf Hitler. This volume reprints the articles from October 9, 1920 to March 19, 1921. This four-volume set is an important document in the history of anti-semiticism in America.

Jewish Activities in the United States Dearborn Independent,1921

The International Jew ,

The International Jew : The World's Foremost Problem Anonymous,2019-11-21 In *The International Jew: The World's Foremost Problem*, the author delves into the contentious subject of Jewish influence in global affairs, presenting a series of articles that purport to analyze the supposed dominance of Jews in economic, cultural, and political spheres. Written in a polemical and provocative style, the book is steeped in the rhetoric of early twentieth-century anti-Semitism, reflecting the prejudices and fears of a post-World War I society grappling with the consequences of rapid modernization and upheaval. The text serves as both a reflection and product of its time, sparked by a growing milieu of conspiracy theories and nationalist sentiments. The identity of the author remains elusive, contributing to the intrigue surrounding the text and its motivations. Commonly attributed to figures like Henry Ford, the publication arises from a milieu of anxiety over changing social dynamics and race relations in America and beyond during the early 1920s. The author's choice to remain anonymous may suggest a desire to shield individual accountability while disseminating controversial ideas, thereby underscoring the veiled nature of propaganda strategies often deployed against marginalized communities. This book invites readers to critically engage with its themes and the historical context in which it was penned. By understanding the interplay between literature and societal tensions, readers can unearth essential insights into the insidious nature of anti-Semitic discourse. Recommended for those interested in the intersections of literature, history, and sociology, it serves as a cautionary tale about the power of ideas and their potential to shape societal attitudes.
