Miracle of Love - Stories about Neem Karoli Baba Ram Dass, The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memories, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not factually accurate. I have no way of ascertaining the authenticity of any single story. All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot of loving help from my friends:

Becoming a Miracle Worker Bonnie Nack EdD, 2018-04-13 Miracles are designed to restore the mind to its natural state as it was created by God. God is Love, therefore Love is our natural state. In *Becoming a Miracle Worker*, author Bonnie Nack clarifies the unique meaning of miracles in *A Course in Miracles*, explains how they are done and encourages the student to become a Miracle Worker. Nack shows how *A Course in Miracles* can give anyone an understanding of how to do miracles. She explains the importance of the idea that the miracle worker must take full responsibility for everything that he experiences in his mind, and ask the Holy Spirit to transform into Love, anything negative that appears there. Uplifting and inspirational, Nack shares her wisdom based on the course principles and her own insight gained throughout years of study, practice, and teaching. Praise for *Becoming a Miracle Worker* Bonnie Nack is a skilled writer, clear and easy to read and she has an in-depth understanding of the teaching of *A Course in Miracles*. I enjoy her smooth, unpretentious style, her use of stories to illustrate her points, and her ability to hold the readers attention. Jon Mundy, PhD, Author, *Living A Course in Miracles*
