Coach: The Greatest Teachers in Sports and Their Lessons for Us All Justin Spizman, 2022-02-08 Every great sports coach is a life coach. This book identifies 168 outstanding coaches who have much to teach us about optimizing our performance, our character, and our lives. Coaches build winning teams and enable each athlete they mentor, guide, cajole, and nurture to achieve top performance. More than this, every great sports coach is first and last a life coach. Sportswriter Justin Spizman identifies and profiles 168 of the greatest coaches and managers of all time. They have much to teach us about optimizing our performance, our character, and our lives. Coach: The Greatest Teachers in Sports and Their Lessons for Us All profiles coaches in every significant sport, from football, basketball, baseball, and hockey to gymnastics, skating, rowing, rugby, soccer, and more. From field to court, diamond, rink, and pitch, the big leagues to the Olympics, college, and high school, Coach delivers the most teachable moments and methods—for play, for competition, and for life. Rich in quotations, each profile ends with lessons for top performance on and off the field, in and beyond the arena. Justin Spizman tracks all the relevant stats—for every sport keeps score—but he seeks first and last to disclose the mind, the heart, and the force of character that drive each of the indispensable men and women behind the world’s most envied and admired athletes. His profiles range from the likes of Cardinals manager Tony La Russa (already an MLB legend), to Aimee Boorman and Cecile Canqueteau-Landi (who both coached gymnastics phenom Simone Biles), Bill Belichick (the take-no-prisoners field general of the New England Patriots), Pat Summitt (who racked up 1,098 wins as coach of the University of Tennessee Lady Vols basketball team from 1974 to 2012), Marián Vajda (the coach behind tennis titan Novak Djokovic), and David Leadbetter (golf guru to champions Kathy Baker, Nick Faldo, and Michelle Wie).

The Last Cowboy Mark Ribowsky, 2013-10-29 “An eloquent, honest tribute to a sports genius.” —Publishers Weekly, Best 100 Books of 2013 As the coach during professional football’s most storied era, Tom Landry transformed the gridiron from a no-holds-barred battlefield to the highly-technical chess match it is today. With his trademark fedora and stoic facade, he was a man of faith and few words, for twenty-nine years guiding “America’s Team” from laughingstock to well-oiled machine, with an unprecedented twenty consecutive winning seasons and two Super Bowl titles. Now, more than a decade after Landry’s death, acclaimed biographer Mark Ribowsky takes a fresh look at this misunderstood legend, telling us as much about our country’s obsession with football as about Landry himself, the likes of whom we’ll never see again.

Dallas Cowboys Quips & Quotes Alan Burton, 2006 Alan Burton, a lifelong fan of the Dallas Cowboys, chronicles the team's forty-five year history in a collection of more than five hundred quips and quotes from players, coaches, owners, broadcasters, and writers Organized chronologically, the quotations provide a colorful record of the ups and downs of one of the best-known franchises in professional sports--and must reading for the die-hard Dallas Cowboy fan A few examples: Tom Landry on his Flex defense: It is designed to stop every play on the line of scrimmage. This is the theory, you have to remember, not necessarily the result. Lineman Jim Boeke on quarterback Don Meredith: If Meredith had led us over a cliff, I would have been the first one to follow. He was that great a leader Linebacker D. D. Lewis on Texas Stadium: Texas Stadium has a hole in its roof so God can watch his favorite team play Caustic commentator Howard Cosell: The Cowboys are the most overrated, overhyped team in professional football. Sportswriter Bob St. John on Roger Staubach's clean-cut image: His idea of breaking training is putting whipped cream on his pie. A convicted murderer shortly before his execution: I am thankful to the Dallas Cowboys for giving me a lot of enjoyment the past years. Lineman Nate Newton: Remember this--there's the Cowboys, and then there's the rest.

The Book of Sports Quotes Bert Randolph Sugar, 1979

God's Coach Skip Bayless, 1990 Who is Tom Landry? The great football coach whose tireless efforts on behalf of Christian causes led Billy Graham to hail him as like a John the Baptist to me? Or the distant, befuddled figure who would send in goal-line plays at midfield, blame others whenever his team lost, and whose players called him steely, cold-blooded, and a liar? *God's Coach* is a scathing look at the football franchise that dared to call itself America's Team, and the coach whose Christian

charity extended to strangers everywhere, but rarely spoke to the players who labored under him. Skip Bayless, the controversial columnist for the Dallas Times Herald, strips away the image created by the most powerful PR machine in sports and takes a sharp, clear-eyed look at the men behind it. Why was this coach and celebrated motivational speaker wholly unable to motivate his team? Why did a man so dedicated to spreading the word of God's love have to rule through fear? Skip Bayless deflates the myths and punctures the self-importance in which the Cowboys wrapped themselves for nearly thirty years. We see the team president who ruled like an owner despite controlling only 3 percent of the team; the Draftmaster who, according to his chief scout, did not study film and never learned the details of the game; the star quarterback who never said a word against his coach publicly, but who changed Landry's call on virtually every important play during his career. Bayless shares with us the words and views of insiders who are finally willing to break their silence, including former players, front-office personnel, assistant coaches, and the men who owned the team. He paints an unforgettable portrait of a man reveling in his image as God's chosen football coach, but also trapped by it--unwilling to confess error or share responsibility, unable to change or adapt to change, either in his team's personnel or in the game itself. He shows us the Landry who reserved his highest praise for those who played despite injuries, leading players to take dangerous painkillers before games; who seemed oblivious to the shady dealing and immoral and illegal escapades of those all around him; and who devoted large chunks of his time to speaking before Christian groups, but far less to coaching and planning than NFL coaches. And in the final, spectacular irony, Bayless shows how Jerry Jones's solution to what even Tex Schramm recognized as the Landry problem freed Landry to become his image--to be God's Coach without burden of actually coaching. As entertaining as it is revealing, as thoughtful as it is though provoking, God' Coach is compelling reading, a stunning experience for anyone who embraced the myths of The Man in the Hat.--From jacket flap.
