What Is Your Goal In Life? Rev. Fr. Peter Obinna Umekwe, 2011-06-14 I encourage you to pick up this book for inspiration and a way to recharge your spiritual batteries. It will strengthen your desire and remind you to have a brave and happy attitude in the pursuit of your goals. – Mrs. Nancy Allen. *What Is Your Goal In Life?* goes beyond just success. It touches on a wide range of attributes such as character, attitude, planning, goal-setting, happiness and opportunity. Our job now is to avail ourselves of this easy-to-read material and make the content our daily companion. – Dr. Stephen Okosisi. I must admit that I am highly inspired and, above all, challenged by some of the memorable and simple quotes in this book that I feel provoked to be more focused and determined in the pursuit of my set goals, having in mind that winners never quit and quitters never win. – Rev. Fr. Chidi Ekpendu.

Standout with your Heart Solomon Raju Vulamparti, Live like you have a lot to offer to the world. You have the Power to Change the world. You are withholding the Leadership Power you're endowed with. You are denying the greatness in you. In return you feel powerless and unable to contribute to yourself and the world. You are here not just to live – but to THRIVE, EXCEL and MANIFEST the Wealth, Happiness and Success in you.

Health and Happiness Sean Donovan, 2010-01-18 Regardless of your age, race, religion, sex, political affiliation or national origin - we should all have one common denominator - Health. We only get one shot at life and when health is gone, nothing else matters. The human mind and body comprise the most sophisticated machine on earth. Our bodies are far more sensitive and complex than any automobile, DVD player or other man-made item; but unlike those products, we don't come with an instruction manual at birth. This Health and Happiness guide offers common sense advice to help the average person make better decisions regarding their mind and body. Health reform starts with the daily choices we make - choosing to read this book is the first step in the right direction.

Insights Dr. Jose Kaimlett, 2015-12-09 Every moment you are awakened to plenty of insights. Are you ready to grab those insights? If you are able to harness those it is yours. Let me assure you, the content of this book would take you to a deeper level of understanding of life as you read and meditate. Let the insights reverberate in each cell of your body and your being. May you be filled with fascinating insights and inspiring people around to lead a happy and peaceful life. This book caters you with an index of 425 topics which help you to choose the contents easily handy for your use. A Very good collection of

stories that can enhance your life at every moment.

Treasure in My Sack Chizomam Ezuma,2021-04-27 'Treasure in my Sack' is an excellent way to look at life in general, with the notion that life does not give you what you deserve but what you rightly bargained for. The best decision in one's life is live life with God at the centre. Living at your full potential, pursuing and fulfilling purpose. This book will help you discover a winner in you, for you were created to succeed in life and also to discover talents you didn't know you had, and God's blessings, and favour in amazing ways!

When Life Gives You Lemurs Deborah Kane,Tim Husband,2024-09-03 A story of courage, generosity and the tender power of animals to heal humans. 'A compelling story, beautifully told, about how animals can show you a way forward.' - Richard Glover A story of the tender power of animals to heal broken humans. Tim Husband was born into a Jehovah's Witness family who spent their weekends delivering God's Word. Struggling to fit into this orthodox community, he found refuge in the bush, collecting and caring for injured animals. At fourteen, Tim was thrown out of home by his father and the church elders. He was taken in by the owner of the local zoo, and in exchange for a bed and food, Tim spent the next ten years caring for the wild animals. Patiently observing these exotic creatures gave Tim his first true sense of belonging as well as the courage to navigate healing the wounds from his traumatic childhood inside a strict religious community. He also found he had a talent for enriching the lives of the animals he spent time with, by redesigning their habitats closer to those found in nature. Tim is one of a handful of international specialists known for their expertise in animal care. He has directed, designed and curated at some of the best-known zoos in the world, building a reputation as an exotic animal whisperer. Deborah Kane has written scripts for children's television and short films as well as plays for theatre. She has worked for the communications director for the Australian Human Rights Commission.
