Leaders Decisions and Biases: A Guide to Corporate Decision Making Harjeet Khanduja,2023-01-01 Organizations provide mind boggling compensations to their Leaders as compared to their average employees. Is it because they work more? Just like saying we are the decisions we make, the very existence of an organization depends on the decisions it's leaders make! Decision-making is an interplay of competitive strategies, processes, design, values and culture. Narrating the experiences of industry decision-maker, the book demonstrates that organizational decision-making is akin to navigating through a minefield of biases and execution issues. From analysing key decisions of the past to shaping new ones, this book will empower readers with effective strategies that will allow them to become an integral part of their organization's decision-making environment. Businesses are always on the lookout for effective decision-makers. Whether you are looking to move up the career ladder or do well in your personal life, with Leaders Decisions and Biases, you will be well on your way!

Strategic Management Michael A. Hitt,R. Duane Ireland,Robert E. Hoskisson,2003 This text explains how firms achieve strategic competitiveness, emphasizing integration of resources and capabilities to obtain a sustained competitive advantage. The text integrates the resource-based view of the firm with the more traditional model.

Markopoulos,Ravindra S. Goonetilleke,Amic G. Ho,Yan Luximon,2021-07-01 This book brings together experts from different areas to show how creativity drives design and innovation in different kind of businesses. It presents theories and best practices demonstrating how creativity generates technological invention, and how this, combined with entrepreneurship, leads to business innovation. It also discusses strategies to teach entrepreneurial competencies and support business developments, including aspects such as corporate social responsibility and sustainability. Moreover, the book discusses the role of human factors in understanding, communicating with and engaging users, reporting on innovative approaches for product design, development, and branding. It also discusses applications in education and well-being. Based on the AHFE 2021 Conferences on Creativity, Innovation and Entrepreneurship, and Human Factors in Communication of Design, held virtually on July 25-29 July, 2021, from USA, the book addresses a broad audience of business innovators, entrepreneurs, designers, and marketing and communication experts alike.
